BRITEX PROJECT ROLE

The new and improved Scarborough Bar The Lookout sees two fully custom made Urinals take shape in the Bar's bathroom. The Stainless Steel Urinals were manufactured to suit the following requirements:

- Two Britex S.S. Sanistep Urinals at 2700mm, installed side by side with an attractive nib wall joint (USAN)

(L-R): Two Britex S.S. Sanistep Urinals at 2700mm

ABOUT

Located along The Esplanade in Perth's Scarborough, legendary beachside club The Lookout has returned for a limited time as a pop-up bar. Overlooking the ocean, the Bar features a relaxed atmosphere with great food and music, with a rotating list of DJ's and live entertainment. Open every day of the week, the latest inclusions to the venue are an eight lane bowling alley, two large screens televising sports games, pool tables and giant connect four.
