- Optional foot wash taps
- Integral fixing base plate
- Suits parks, homes, aquatic centres and public spaces

about

BRITEX Stainless Steel Shower Columns are manufactured from marine grade 316 stainless steel and available in round or square profiles with single or multiple outlets to suit specific requirements. All water efficient timed flow, tapware connections are concealed and vandal resistant. Foot wash taps are optional. Maintenance can be carried out via access hatches on top of the post (for shower head) or in the side of the post (activators/foot wash taps). Suited to public spaces such as beach fronts and reserves or in residential projects.
