- Fully welded seams and heavy duty construction
- Gussets with four anchor holes for support and additional safety

about

The *BRITEX Stainless Steel Wall Mounted Security Desk* is perfectly suited for application in detention facilities due to its robust construction. The 10 gauge steel construction ensures strength, while sides are flanged and edges are ground smooth to remove all sharp edges. Gussets with four anchor holes for bolting to the wall make the desk ultra vandal resistant for additional safety and reduces the risk of tampering, making it an ideal choice for detention/correctional environments.
