about

The *BRITEX Stainless Steel ADA Security Toilet Suite with Integrated Backrest* is a robust yet stylish compact suite that incorporates a vandal resistant toilet pan and dual flush cistern case. Additional integrated backrest and integrated toilet roll holder allows the unit to be contraband proof and ligature proof. This suite is designed for accessible users in correctional and detention facilities or applications requiring vandal proof fixtures. A pressed internal bowl area with safety radius front edges and unique trap design makes the pan durable and extremely water efficient. Being close-coupled, the suite is hygienic, highly resistant to vandalism and allows for ease of cleaning.

sample spec. text
