- Optional stainless P trap waste connection
- Standard or custom sizes available
- Removable bar grate
- Ideal for hospitals, food processing facilities and commercial kitchens

## about

The *BRITEX Flushing Floor Waste* is manufactured from either 1.2mm or 1.6mm grade 304 or 316 stainless steel. WaterMark certified, this unit consists of a flushing hopper which can be fixed to the floor using the perimeter flanges. The unit comes with a 100mm diameter waste dropper which fits easily into PVC pipe work. The flushing ring to the hopper transition allows all internal surfaces to be fully flushed which assists in maintaining high standards of hygiene.
