Centurion Ambulant Pan with Black Vandal Resistant Closed Front Toilet Seat, Britex S.S. Vandal Resistant Wash Basin.

ABOUT

Jock Comini Rest Area, located 90 minutes from the Melbourne CBD along the Calder Highway, has recently been renewed by VicRoads to provide parking for cars, trucks, caravans, buses and new toilet facilities. The Jock Comini Rest Area originally opened in 1994 and was named in honour of Mr Jock Comini and his work as a founding and fourteen year member of the Calder highway Improvement committee, Harcourt CFA, North West Regional Ambulance Service and the Loddon Camaspe Regional Planning Authority, and served 17 years as a Maldon councillor. The redevelopment worth approximately \$4.262 million incorporates a number of Britex Stainless Steel Vandal Resistant fixtures and accessories, designed to suit Public Amenities projects where a large volume of people make use of the facilities.
