- Anti-ligature design
- Fully welded, heavy duty construction

about

The *BRITEX Stainless Steel Floor Mounted Cuff Bench* is perfectly suited for application in detention facilities due to its reliable and robust construction. Constructed of 10 gauge steel top with flanges on all four sides, the stainless steel vandal proof and anti-ligature design of the bench makes it an ideal choice for detention/correctional environments. Multiple stainless steel floor mounting plates for bolting to the floor make the bench seat ultra vandal resistant and reduces the risk of tampering.
