U Shape Sanistep Urinal.

ABOUT

Melbourne Town Hall, managed by the City of Melbourne, stands in the heart of Melbourne's CBD on Swanston Street and has done so since its completion in 1870. It plays host to a number of festivities year round, catering for events of ten to 2000 people, including theatrical performances, weddings, receptions, exhibitions, corporate launches, school concerts and cocktail parties. Free tours of the historic Town Hall give visitors the opportunity to view the building's beautiful interiors and learn about the architectural, social and political significance of the heritage listed building.
