about

The *BRITEX Stainless Steel Accessible Drinking Fountain* is manufactured from heavy duty grade 304 stainless steel and is supplied with a front push button, timed flow bubbler. This unit is secured to the ground with an integral 3mm stainless steel fixing plate, is fully welded with radiused corners and has a flush mount, vandal resistant maintenance hatch in the pedestal. The single bowl model (US-DDIS-1) is compliant with disability access code AS1428, whilst the twin bowl model (US-DDIS-2) provides both disabled access and standard height bowls.
