about

BRITEX Stainless Steel Security Combination Unit with Grandeur Pans are consistently selected by specifiers for prisons, holding cells and detention facilities that require optimal vandal resistance. They incorporate a fully welded stainless steel contour toilet pan with optional orientation and wash basin for ease of cleaning. The toilet pan has a contraband-proof flushing rim and one piece pressed bowl that provides water efficient flushing. A ligature-proof security waste is supplied with the basin and optional extras include security tapware, access panel and toilet pan flushing mechanism. Numerous fixing points are provided for fixing to the floor and rear wall.
