- Optional WELS and WaterMark certified tapware

## about

The *BRITEX Stainless Steel PWD Flat Rim Trough* is a versatile fixture that can be used in a large range of applications. Tapware is mounted on the extra wide hob at the back of the trough and internal radius corners ensure that the trough is easy to clean. All flat rim troughs are manufactured to custom lengths, can be supplied in grade 304 or acid resistant grade 316 stainless steel and waste outlets can be at either the left or right hand end.
