## about

The *BRITEX Stainless Steel Vandal Resistant Corner Hand Basin* is highly resistant to vandalism and is particularly suited to washrooms with limited space. Easily installed and fabricated from heavy duty stainless steel, all plumbing connections are housed within the carcass of the basin preventing them from being broken or tampered with. Available in both Pedestal (S trap) and Wall Mounted (P trap) configurations, front-fixed basins are supplied with an access panel, rear-fixed models without. Tap options include an anti-vandal timed flow pillar tap, sensor tap or dome shaped security tapware for maximum vandal resistance.
