about

The *BRITEX Sanistep Urinal* is the most frequently specified stainless steel urinal in Australia and can be found in many of Australia's iconic sports and entertainment stadiums. Manufactured from durable 1.2mm grade 304 stainless steel, Sanistep urinals are hand fabricated and fully welded with sturdy reinforcement to the rear, providing a sound structural finish. Sanistep urinals incorporate a hinged floor grate to allow for ease of cleaning and feature our unique weir style sparge, which enables the water to flush in an even flow with minimum water and maximum efficiency. WaterMark and WELS certified as required by plumbing regulations and government legislation.
