BRITEX PROJECT ROLE

The recent 5 million dollar renovation of Baroq Bar has transformed an extravagantly broody and gothic albeit niche style interior to an accessible contemporary elegance while retaining the luxury feel of the old world baroque period.

The multilevel venue boasts state of the art facilities including four fully custom fabricated bar fixtures with benchtop and integrated sinks and cocktail bar by Britex.

Working closely with architectural firm Hachem we also fitted out the men's bathroom with a custom size Sanistep Urinal with Sensor Flushing Unit.
