about

The *BRITEX Sanistep Urinal* is one of our most frequently specified stainless steel urinals. Manufactured from durable 1.2mm grade 304 stainless steel, Sanistep urinals are hand fabricated and fully welded with sturdy reinforcement to the rear, providing a sound structural finish. Sanistep urinals incorporate a hinged floor grate to allow for ease of cleaning and feature our unique weir style sparge, which enables the water to flush in an even flow with minimum water and maximum efficiency.
